

RMI001 -General Specifications	
Plant number	RMI001
Pump Skid	
Manufacturing Date	
Original Equipment Manufacturer	RMI Pressure Systems
Pump OEM	RMI
Pump Serial Number	301328
Rams	50mm
Model / Type	S300 Trimax
Nominal volume flow	202 Litres per minute
Nominal working pressure	230 bar
Lubricating Oil Grade	VG220
Nominal Oil Pressure	7.5bar, engine cut out 3-4bar
Lubricating Oil Capacity	50 litres
Unloading Valve Type	RMI Unloader
Safety Valve Set Point	280bar
Dimensions of the skid	Length – 3270mm Height – 1400mm Width – 1550mm
Weight of the skid	4760kg
Electric Motor	
Type	WEG
Serial Number	1006797953
Model	L-50-ExDE21000V
Rated power (gross / net)	110kw
Output Speed (RPM)	1485
Voltage	1000 volt

Tank skid	
Manufacturer	RMI
Emulsion tank	2400 Litres
Raw Oil tank	200 Litres
Dimensions of the skid	Length – 3270mm Height – 1700mm Width – 1550mm
Weight(dry)	3430kg
